

COMMERCIAL SUNROOM PRODUCTS

A Division Of Patio Enclosures, Inc.

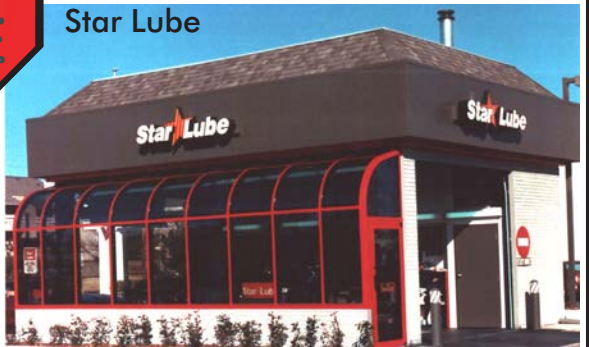

McDonalds

Dairy Queen

Split Second

Star Lube

The traditional fast food, convenience mart is continually evolving into a place to accommodate people who spend more quality time enjoying their meals. C. S. P. works with national and regional companies providing additional solarium space, enhancing the dining experience, while maximizing profits.

Each solarium is custom designed, manufactured and installed to owner requirements and blends with the aesthetics of the existing structure. Our flexibility of design, quality products, precision manufacturing and expert installation make C.S.P. the recognized leader in servicing the convenience food market.

Our all glass solariums are cost effective, and provide a relaxing environment unattainable by other methods of construction. The C.S.P. Team looks to hear from you.

The building features are:

- ❑ Custom flexible design and full shop drawings
- ❑ Installation by factory trained and certified employee owners
- ❑ 1" Dual Sealed, Insulating Glass; Tempered/ Laminated
- ❑ Variety of high performance glass options
- ❑ Standard colors of white, bronze and sandstone. Custom colors available
- ❑ Structural aluminum extrusions for large open spans

The Commercial Division of Patio Enclosures, Inc. will solve your space needs. Contact us for more information or to obtain our CD Rom.
