A Division Of Patio Enclosures, Inc.

HAWTHORNE VALLEY
COUNTRY CLUB
SOLON, OH

The owner of the Country Club searched for the right solution to add additional space to the formal dining room, allowing for large parties and weddings. The club found their solution in **C.S.P., The Commercial Division of Patio Enclosures, Inc.** Working closely with the owner and their architect, **C.S.P.** engineered, manufactured and installed an insulated curved eave solarium with a custom wall of storefront glass.

Utilizing high performing, solarcool reflective, low E glass, affords the space to work harmoniously with the mechanical systems, making the space comfortable for large gatherings. Blending the solarium with the existing structure was of paramount importance and **C.S.P.** successfully achieved the objective.

The flexibility of **C.S.P.'s design** and engineering, combined with precision manufacturing and installation by company employees, makes **C.S.P.** the only choice for your next challenging project

The building features are:

- 1" Solarcool Low E Glazing
- Duracron/Polycron white painted finish
- Matching storefront wall
- Single source responsibility

The Commercial Division of Patio Enclosures, Inc. will solve your space needs. Contact us for more information.
